There being no objection, the House advanced to the Seventh Order of Business.

### **Motions, Memorials, and Resolutions**

#### **HOUSE CONCURRENT RESOLUTION NO. 49**

##### **BY EDUCATION COMMITTEE**

##### **A CONCURRENT RESOLUTION**

STATING FINDINGS OF THE LEGISLATURE CONCERNING OVERSIGHT PROCESSES IN ASSISTED LIVING FACILITIES AND DIRECTING THE DEPARTMENT OF HEALTH AND WELFARE TO UNDERTAKE CHANGES NECESSARY TO ACCOMPLISH GOALS STATED.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Department of Health and Welfare finds it increasingly difficult to meet statutory requirements for annual surveys in assisted living facilities; and

WHEREAS, the state of Idaho has contracted with the federal Medical Assistance Program and has guaranteed appropriate oversight of assisted living facilities, including compliance with Idaho statutes in exchange for Medicaid matching funds for services provided to clients in assisted living served through the Aged and Disabled Waiver; and

WHEREAS, the number of assisted living clients grows each year with exponential growth projected as baby boomers reach an age when they require assistance in daily living; and

WHEREAS, the cost of long-term health care options in the state of Idaho increases each year both for persons paying for their own care and those using Medicaid dollars; and

WHEREAS, state General Fund dollars for medical assistance are more limited each year; and

WHEREAS, the present survey process has reached a point of limited effectiveness.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-seventh Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Department of Health and Welfare, in conjunction with assisted living stakeholders, advocates and clients, is directed to develop the statutory and rules changes as necessary to allow for a transformed oversight process in assisted living that allows for:

(1) An equitable definition of substantial compliance;

(2) Outcome based, measurable standards of care;

(3) Person-centered outcomes measured by the terms of the Negotiated Service Agreement (NSA) negotiated by the resident and/or guardian and the assisted living residence as to the resident's rights, needs and choices of care;

(4) Quality assurance measures implemented by the Division of Medicaid to ensure surveys are performed in an appropriate and equitable manner;

(5) Use of new technologies, i.e. e-mail, teleconferencing, facsimile, software and web-based documentation management systems to increase efficiency of the oversight process and communications process whenever possible and reduced disruption of a resident's home and trauma to the resident;

(6) Focus on education and cooperation in compliance, as well as enforcement;

(7) A regulatory system that does not adversely affect residents and does not result in dislocation of residents when other avenues are available;

(8) Increased training that is specific to assisted living and improved protocol for staff performing surveys;

(9) Development of an equitable dispute resolution process involving not only the oversight agency, but also industry peers, ombudsmen, consumers and health care providers knowledgeable about assisted living; and

(10) Improved communication between providers and department staff regarding the substance of rules proposed for promulgation as well as the proposed effective dates of such proposed rules.

**HCR 49** was introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.

**SCR 123**, by State Affairs Committee, was introduced, read the first time by title, and referred to the State Affairs Committee.
